

**Bylaws of the Iowa City Local Chapter  
of the Democratic Socialists of America**  
Adopted 4/28/2018

**ARTICLE I. Name.**

The name of this not-for-profit voluntary association shall be the Iowa City Local Chapter of Democratic Socialists of America (DSA).

The shortened name of the association is the Iowa City DSA (ICDSA).

**ARTICLE II. Purpose.**

The Iowa City Local Chapter of Democratic Socialists of America (ICDSA) seeks to facilitate the transition to a truly democratic and socialist society, one in which the means/resources of production are democratically and socially controlled.

ICDSA rejects an economic order based solely on private profit, alienated labor, gross inequalities of wealth and power, discrimination based on race, gender or sexual orientation, and brutality and violence in defense of the status quo.

ICDSA envisions a humane social order based on popular control of resources, production, and economic planning, equitable distribution, gender and racial equality, and non-oppressive relationships.

Our conception of socialism is a profoundly democratic one. It is rooted in the belief that human beings should be free to develop to their fullest potential, that public policies should be determined not by wealth but by popular participation, and that individual liberties should be carefully safeguarded. It is committed to a freedom of speech that does not recoil from dissent, to a freedom to organize independent trade unions, women's groups, political parties, and other formations -- recognizing these as essential bulwarks against the dangers of an intrusive state. It is committed to a freedom of religion that acknowledges the rights of those for whom spiritual concerns are central.

We are socialists because we are developing a concrete strategy for achieving that vision. In the present, we are building a visible socialist presence within the broad democratic Left. In the long run, we hope to build a majority movement capable of making democratic socialism a reality in the United States. Our strategy acknowledges the class structure of the U.S. society. This class structure means that there is a basic conflict of interest between those sectors with enormous economic power and the vast majority of the population.

### **ARTICLE III. Membership.**

#### Section 1. Membership.

Members of the ICDSA will be those individuals whose dues to national DSA are paid in full, who reside and/or work in the vicinity of Iowa City including but not limited to Johnson County, Iowa. In order for such a finding to be made, another DSA member must formally prefer written charges against the member in question to the Local Chapter Executive Committee, which shall set the date of a Local Chapter meeting for deliberations on the charges.
